

A low-angle, night-time photograph of two construction workers in the foreground, seen from behind. They are wearing white hard hats and high-visibility yellow safety vests with orange reflective stripes. They are looking up at a massive skyscraper under construction. The building is completely encased in a dense network of scaffolding and safety netting. Bright construction lights are visible through the scaffolding, creating a glowing effect. In the background, other parts of the construction site are visible, including another building under construction and a tall yellow tower crane against the dark night sky.

***GAOS***

The image shows a woman and a man, both wearing hard hats and high-visibility vests, looking at a laptop. The woman is wearing a yellow hard hat and a yellow vest, while the man is wearing a white hard hat and a yellow vest. They are both smiling and appear to be working together. Overlaid on the image are various digital icons, including a Wi-Fi symbol, a globe, a shield, a laptop, a bar chart, a lightbulb, a location pin, and a smartphone. There are also binary code strings (0s and 1s) scattered around the icons. The background is a blurred industrial setting.

# **GAOS**

El sistema GAOS proporciona una gestión versátil de contratos y proyectos asociados, permitiendo la importación directa de datos conforme a las necesidades del cliente. Registra de manera integral todos los movimientos del proyecto, incluyendo certificaciones, materiales y documentos. Facilita el seguimiento del WIP (Trabajo en Progreso) y los balances de materiales, asegurando una trazabilidad completa. Además, permite realizar mediciones de rendimiento y cuantificación de la producción. Es un sistema completamente adaptable a los diversos desafíos que cada operación presenta, con una eficiencia comprobada a lo largo de años de uso.
